Temperature Checks and Screening for Visiting and First Baptist Spectators

First Baptist strongly encourages self-screening prior to attending a game at First Baptist. Anyone with a fever over 100.0°F or who is showing any symptoms consistent with COVID-19 should not attend.

Face Coverings for Spectators/Staff

Face coverings must be worn at all times. Every other row of bleachers will be marked off to help with social distancing in the home bleachers.

Face Coverings for Teams (players, coaches, team personnel, etc.)

Players are not required to wear face coverings while playing. Coaches, staff, all team personnel and non-competing student-athletes for First Baptist and visiting teams must wear face covering when not socially distanced.

Visiting Team

We will ask your team trainer upon arrival to confirm that your team was screened prior to departure for the game. Visiting Team will have use of Aux Gym and a Visitor Locker Room (with bathroom and shower) - **no cleats allowed in either room**. Visiting team will have to put on and remove cleats while outside. Water coolers will be provided unless the visiting team elects to bring their own. Two Visiting Coaches will be allowed above the Press Box. We will not have room for a camera crew at the top - we will provide game film after the game to the visiting team.

Visiting Team Spectators

Spectators are encouraged to bring outdoor chairs as bleacher seating is severely limited. Portable Restrooms for the visitors will be located on the visitor side.

Spectators will not be allowed on the field before/during/after the contest. Spectators are asked to leave as soon as the game ends.
